

# What is the *Northgate Coordinated Transportation Investment Plan*?

- “CTIP” = transportation projects to support the Northgate vision:
  - Pedestrian and Transit-Friendly
  - Effective Traffic Management
  - Neighborhood Traffic Calming

# Why Northgate, Why Now?

- Mayor and Council direction
- Urban center poised for redevelopment
- Key priority for community

# How will the CTIP be developed?

- Phase 1: March – June 2004
  - Identify Transportation Issues
  - Develop a Work Plan
    - Scope of Work
    - Community Involvement Plan
- Phase 2: July 2004 – June 2005
  - Evaluate Potential Projects
  - Recommend Best Projects
  - Craft an Implementation Plan

# Stakeholder Group Involvement (Phase 1)

- Transportation Briefing – April 20
  - Glossary, planning steps, tools, assumptions
- Work Plan Development – May/June
  - Identify transportation issues (5/11)
  - Comment on draft work plan & public involvement plan (5/20)
  - Review final work plan (6/3)

# Stakeholder Group Involvement (Phase 2)
